

## 2015 Scientific Meeting Schedule

Wednesday, July 8th - Saturday, July 11th, 2015

(Times, additional events, and location will be updated.)

<b>2015 ISRCAP Scientific Meeting Schedule – July 8-11, 2015</b>			
<b>Wednesday, July 8</b>			
5-7pm	Registration and Opening Reception		Library
<b>Thursday, July 9</b>			
7:30-8am	Coffee & Light Pastries		Grand Ballroom
8-8:30am	Opening of Meeting		Grand Ballroom
8:30-9:30am	Keynote Address	Moshe Szyf, PhD, McGill University, Montreal, Quebec, Canada, "Epigenetic processes mediating between early life environments and mental health; diagnostic and therapeutic implications"	Grand Ballroom
9:30-9:45am	Break		
9:45-11:15am	Symposium 1	"New strategies for studying G×E in developmental psychopathology: Honing the tools," Chair: Joyce Weeland, MSc, University of Amsterdam, the Netherlands, Discussant: Sara Jaffee, PhD, University of Pennsylvania, USA	Grand Ballroom
	Symposium 2	"Refining EEG biomarkers and endophenotypes for neurodevelopmental disorders," Chair: Sandra Loo, PhD, UCLA, USA, Discussant: Julie Schweitzer, PhD, UC Davis MIND Institute, USA	Library
11:15-11:30am	Break		
11:30am-1pm	Symposium 3	"Prenatal adversity, genetic/epigenetic associations and early maternal care in social-emotional development," Chair: Ashley Wazana, MD, McGill University and Jewish General Hospital, Canada, Discussant: Moshe Szyf, PhD, McGill University & Jewish General Hospital, Canada	Grand Ballroom
	Symposium 4	"Digging deeper into depression interventions: What works for whom and why?," Chair: Cari McCarty, PhD, University	Library

		of Washington, USA, Discussant: Joan Asarnow, PhD, UCLA, USA	
1-2:30pm	Open		
2:30-4pm	Symposium 5	"Processes moderating/mediating between vulnerability, stress, and adolescent internalizing: Cognitive-control, coping, self-criticism, self-compassion," Chair: Heidi Gazelle, PhD, University of Melbourne, Australia, Discussant: Nicholas Allen, PhD, University of Oregon, USA	Grand Ballroom
	Symposium 6	"Hormones as epigenetic mechanisms of environmental influences on developmental psychopathology," Michelle Martel, PhD, University of Kentucky, USA, Discussant: Elizabeth Shirtcliff, PhD, Iowa State University, USA	Library
4-5pm	NIH Session	"Scientific Priorities at NIMH and NIDA in Gene-Environment-Development Studies," Presenters: Holly A. Garriok, Ph.D. and Julia L. Zehr, Ph.D., Division of Translational Research, NIMH; Namah Weinberg, M.D., Division of Epidemiology, Services, and Prevention Research, NIDA	Grand Ballroom
5-7pm	Poster Session A and Reception	Poster hanging from 3-4pm	Billiard Room and Card Room
<b>Friday, July 10</b>			
8:00-8:30am	Coffee & Light Pastries		Grand Ballroom
8:30-9:30am	Keynote Address	John Gilmore, MD, University of North Carolina, Chapel Hill, NC, USA, "Infant MRI markers of risk for psychopathology: Latest findings and implications"	Grand Ballroom
9:30-9:45am	Break		
9:45-11:15am	Symposium 7	"Advancing the study of sluggish cognitive tempo: Meta-analytic, bifactor, and invariance findings," Chair: Stephen Becker, PhD, Cincinnati Children's Hospital Medical Center, USA, Discussant: Keith McBurnett, PhD, UC, San Francisco, USA	Grand Ballroom
	Symposium 8	"A developmental perspective on biomarkers for psychopathology from infancy to adolescence," Chair: Sarah Karalunas, PhD, Oregon Health & Sciences University, USA, Discussant: Bonnie Nagel, PhD, Oregon Health & Science University, USA	Library

11:15-11:30am	Break		
11:30am-1pm	Symposium 9	"Longitudinal mechanisms in ADHD," Chair: Meghan Miller, PhD, UC, Davis MIND Institute, USA, Discussant: Stephen Hinshaw, PhD, UC, Berkeley, USA	Grand Ballroom
	Symposium 10	"Developmental trajectories of youth psychopathology: Adverse and resilient young adult outcomes," Chair: Thomas Olino, PhD, Temple University, USA, Discussant: Daniel Klein, PhD, Stony Brook University, USA	Library
1-4pm	Open		
4-5pm	Business Meeting		The Vault Room
5-7pm	Poster Session B and Reception	Poster hanging from 3-4pm	Billiard Room and Card Room
<b>Saturday, July 11</b>			
8:00-8:30am	Coffee & Light Pastries		Grand Ballroom
8:30-9:30am	Presidential Address	Joel Nigg, PhD, Oregon Health & Science University, Portland, OR, USA, "The brave new world of biomarkers, epigenetics, high-dimensional data, and developmental origins of mental disorder"	Grand Ballroom
9:30-9:45am	Break		
9:45-11:15am	Symposium 11	"Enhancing adult implementation of behavioral interventions for ADHD: Person-level and environmental predictors," Chair: Margaret Sibley, PhD, Florida International University, Herbert Wertheim College of Medicine, USA, Discussant: Thomas Power, PhD, Perelman School of Medicine at University of Pennsylvania, USA	Grand Ballroom
	Symposium 12	, "Using the drift diffusion model to understand psychopathology and normative development," Chair: Cynthia Huang-Pollock, PhD, The Pennsylvania State	Library

		University, USA, Discussant: Peter Killeen, PhD, Arizona State University, USA	
11:15-11:30am	Break		
11:30am-1pm	Symposium 13	"Genetic and socio-demographic moderators of interventions to reduce youth conduct problems," Chair: Frances Gardner, PhD, Oxford University, UK, Discussant: Daniel Shaw, PhD, University of Pittsburgh, USA	Grand Ballroom
	Symposium 14	"Engaging parents as a mechanism of youth behavioral change: Three unique interventions," Chair: Margaret Sibley, PhD, Florida International University, USA, Herbert Wertheim College of Medicine, Discussant: Charlotte Johnston, PhD, University of British Columbia, Canada	Library
