

2017 Scientific Meeting Schedule

Wednesday, June 28th – Saturday, July 1st, 2017

Wednesday, June 28 th		
5:00-7:00pm	Registration	Conference Desk
5:00-7:00pm	Opening Reception	Erasmus Foyer & Vide
Thursday, June 29 th		
7:45-8:15am	Coffee & Light Breakfast	Coffee Corners 
8:15-8:30am	Opening of Meeting	UvA 3 & 4
8:30-9:30am	Keynote Address	Charles Nelson, PhD, Boston Children's Hospital and Harvard University, USA "The effects of early severe psychosocial deprivation on the brain and behavioral development"
9:30-9:45am	Break	
9:45-11:15am	Symposium 1	"DREAM BIG - An international replication collaboration modeling the complex prediction of psychopathology" <i>Chair: Ashley Wazana, MD, Jewish General Hospital, Canada</i> <i>Discussant: Benjamin Lahey, PhD, University of Chicago, USA</i>
	Symposium 2	"Early risk factors and indicators of ADHD from prenatal to preschool" <i>Chair: Erica Musser, PhD, Florida International University, USA</i> <i>Discussant: Joel Nigg, PhD, Oregon Health & Science University, USA</i>
11:15-11:30am	Break	
11:30am-1:00pm	Symposium 3	"Novel approaches to characterizing change in developmental psychopathology" <i>Chair: Sarah Karalunas, PhD, Oregon Health & Science University, USA</i> <i>Discussant: Joel Nigg, PhD, Oregon Health & Science University, USA</i>
	Symposium 4	"Innovative interventions for young behaviorally inhibited children" <i>Co-Chairs: Christina Danko, PhD, and Nicholas Wagner, PhD, University of Maryland, USA</i> <i>Discussant: Dina Hirschfeld-Becker, PhD, Massachusetts General Hospital, USA</i>
1:00-3:30pm	Free Time	
3:30-5:00pm	Symposium 5	"Does treating ADHD in parents help children? Recent studies and next steps" <i>Chair: Mark Stein, PhD, University of Washington and Seattle Children's Hospital, USA</i>

		<i>Discussant: Charlotte Johnston, PhD, University of British Columbia, Canada</i>	
	Symposium 6	“Early markers of autism spectrum disorder in infants at risk” <i>Chair: Petra Warreyn, PhD, Ghent University, Belgium</i> <i>Discussant: Herbert Roeyers, PhD, Ghent University, Belgium</i>	UvA 2
5:00-7:00pm	Evening Poster Session A		Erasmus
Friday, June 30th			
7:30-8:30am	JACP Editorial Board Members Breakfast Meeting		Sorbonne
8:00-8:30am	Coffee & Light Breakfast		Coffee Corners 
8:30-9:30am	Keynote Address	Lynne Murray, PhD, University of Reading, UK “Do the effects of maternal postnatal depression on child development reflect sensitive period effects?: Evidence from the Cambridge Longitudinal study, and implications for intervention”	UvA 3 & 4
9:30-9:45am	Break		
9:45-11:15am	Symposium 7	“Innovations in the genetics and epigenetics of child psychopathology” <i>Chair: Erin Dunn, ScD, MPH, Massachusetts General Hospital, USA</i> <i>Discussant: Henning Tiemeier, PhD, MD, Erasmus Medical Center, The Netherlands</i>	UvA 3 & 4
	Symposium 8	“Understanding social impairment in children with ADHD: Cognitive, social, and physiological moderators” <i>Chair: Amori Mikami, PhD, University of British Columbia, Canada</i> <i>Discussant: Edmund Sonuga-Barke, PhD, Kings College, UK</i>	UvA 2
11:15-11:30am	Break		
11:30am-1:00pm	Symposium 9	“Adolescent Predictors of Adult Outcome in ADHD” <i>Chair: Lily Hechtman, MD, McGill University and Montreal Children’s Hospital, Canada</i> <i>Discussant: Soren Dalsgaard, MD, Aarhus University, Denmark</i>	UvA 3 & 4
	Symposium 10	“Parents’ differential susceptibility to parenting interventions in early childhood” <i>Chair: Joyce Weeland, PhD, University of Amsterdam, The Netherlands</i> <i>Discussant: Patty Leijten, PhD, University of Amsterdam, The Netherlands</i>	UvA 2
1:00-4:00pm	Free Time		
2:30-3:30pm	Amsterdam Sightseeing Canal Cruise		Meet in Lobby at 2:00pm
4:15-5:00pm	ISRCAP Business Meeting		UvA 2
5:00pm-7:00pm	Evening Poster Session B		Erasmus
Saturday, July 1st			

8:00-8:30am	Coffee & Light Breakfast		Coffee Corners 
8:30-9:30am	Keynote Address	Marinus van Ijzendoorn, PhD, Universiteit Leiden, The Netherlands “Early experiences, (epi-) genetics, and psychopathology”	UvA 3 & 4
9:30-9:45am	Break		
9:45-11:15am	Symposium 11	“What works for whom? Moderators of intervention effects in externalizing behavior problems” <i>Chair: Sascha Hein, PhD, University of Houston, USA</i> <i>Discussant: Marinus van Ijzendoorn, PhD, Universiteit Leiden, The Netherlands</i>	UvA 3 & 4
	Symposium 12	“Novel research methods for assessment and etiology of ADHD” <i>Chair: Cynthia Huang-Pollock, PhD, The Pennsylvania State University, USA</i> <i>Discussant: Larry Hawk, PhD, SUNY Buffalo, USA</i>	UvA 2
11:15-11:30am	Break		
11:30am-1:00pm	Presidential Address	Joan Luby, MD, Washington University in St. Louis, USA “Early Adversity, Nurturance and Childhood Brain and Behavioral Development: Mechanisms and Sensitive Periods”	UvA 3 & 4
